

TOI TOI TOI

Project Overview

Rainer Schabereiter

Krems, 6.11.2014

Erasmus+

Facts

- **Duration:**
 - 1.10.2014 – 30.9.2016

- **Funding Programme:**
 - Erasmus+ / KA2 – strategic partnerships
 - Austrian national agency OEAD

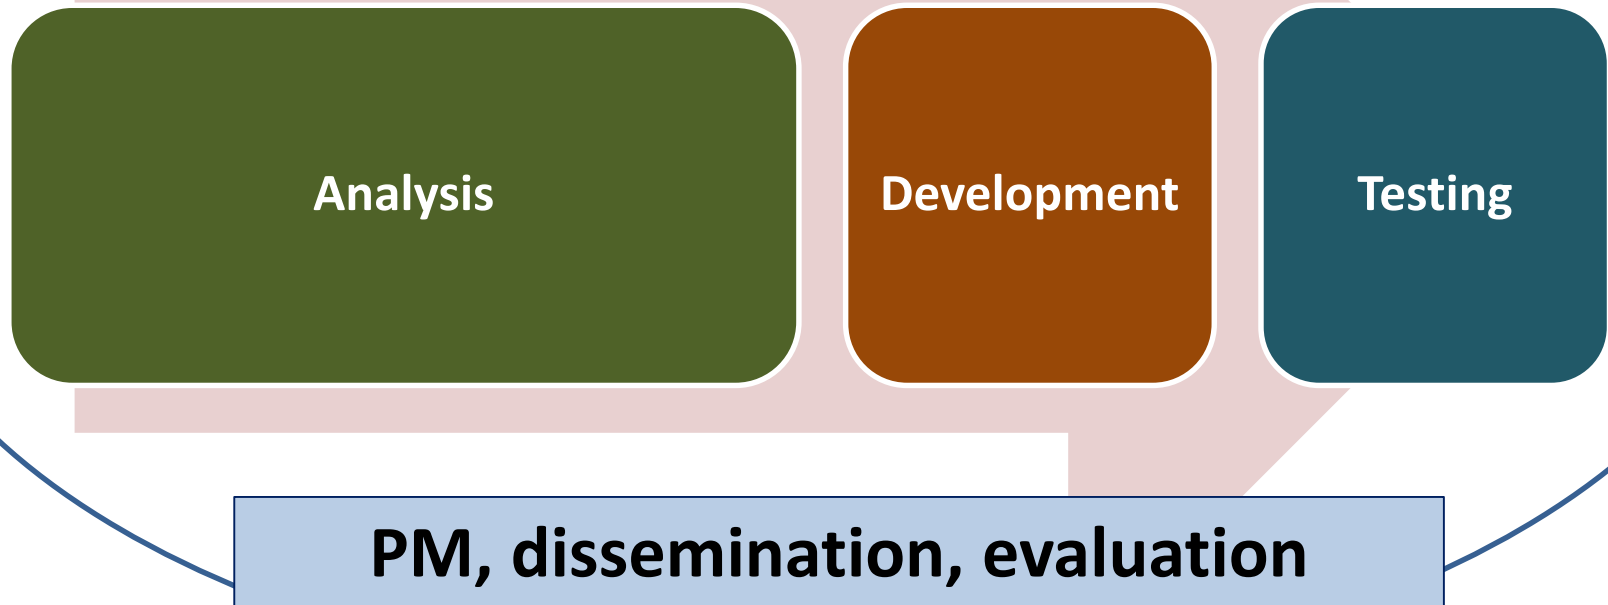

Aims

TOI TOI TOI develops 2 web-based evaluation tools for actors in the field of European VET-projects to ensure that the sustainability of the project-results is guaranteed within the consortium

Consortium

- **development-partners:**
 - Danube University Krems (AT/coordinator)
 - Forschungsinstitut Betriebliche Bildung (GE)
 - Goce Delcev University Stip (MCD)
 - Széchenyi István University Győr (HU)
- **dissemination-partner:**
 - Sociedade Portuguesa de Inovacao (PT)
- **evaluation-partner:**
 - Brainplus (AT)

Project structure

Erasmus+

Analysis (DUK, FBB, SZE, UGD)

• Pre analysis

- data of former projects (LdV-TOI)
- existing evaluation tools for PM

• Cluster analysis

- definition of relevant data to be coded
- cluster analysis of LdV projects

• Questioning

- development of a questionnaire + pre-test
- questioning and clustering of results

• TOI-Reports

- consolidation of the results from analysis + questioning on a national level
- relevant factors for sustainability in European adult-education projects

Development and testing

- **Development**

- analysis of existing evaluation tools
- development of the structure and questions

- **Programming (SZE)**

- web-based solution + user-manual
- pre-test

- **Pilot phase**

- 5 pilot tests in each partner country
- evaluation of the tests + 1 best practice example

Evaluation and dissemination

- 
- **Quality management**
 - quality- / sustainability plan (exploitation strategies)
 - 3 quality reports (external evaluation)

- 
- **Dissemination (SPI/DUK)**
 - logo + design of folders
 - website + newsletters

- 
- **Dissemination (all)**
 - short translations + mailing lists
 - dissemination events
